Our kitchen contains nuts, their names are Jo & Joe. If you are allergic to them or anything else please let us know when ordering. We take all allergies & intolerances seriously, however our food is prepared in a mixed use kitchen so we CANNOT guarantee a 100% allergen free environment. Please speak to a member of staff before placing your order. Our game sometimes contains lead shot & small pieces of shattered bone, the olives come stone in, our roasted meats are generally served pink and if you want moisture & flavour you need a little fat. Our fish, when served filleted, is usually bone free but occasionally we miss one, likewise with crab dishes. We try our very hardest to accommodate all dietary requirements and try provide a choice for all palates on our menu. If you would like something you don't see then PLEASE ASK
